**PRELIMINARY STATEMENT**

5. OpenTV is one of the world's leading interactive television technology companies. OpenTV builds a complete "middleware" platform that enables digital interactive television.

6. OpenTV is the sole owner of numerous United States Patents in the field of digital interactive television, including: United States Patent No. 5,563,648, issued on October 8, 1996 (the "648 patent"), which is attached hereto as Exhibit A; and United States Patent No. 5,819,034, issued on October 6, 1998 (the "034 patent"), which is attached hereto as Exhibit B. The '648 patent and the '034 patent are referred to collectively herein as "the OpenTV patents."

7. Liberate competes against OpenTV in the interactive television market, developing and marketing interactive television middleware platforms under the Liberate name. OpenTV has not licensed Liberate under the OpenTV patents.

**PATENT INFRINGEMENT BY LIBERATE**

8. OpenTV is informed and believes, and on that basis alleges, that Liberate has infringed and continues to infringe, directly or indirectly, the OpenTV patents by its unlicensed use, promotion, manufacture, and offering for sale, in this judicial district and elsewhere in the United States, of interactive television middleware.

9. OpenTV is informed and believes, and on that basis alleges, that Liberate's infringement of the OpenTV patents has been and will continue to be willful.

10. OpenTV is damaged and irreparably injured by Liberate's infringing activities and will continue to be so damaged and irreparably injured unless Liberate's infringing activities are enjoined by this Court.

**PRAYER FOR RELIEF**

WHEREFORE, OpenTV requests that the Court:

A. Enter judgment that OpenTV is the owner of the OpenTV patents and all rights of recovery under each of them, and that each of those patents was duly issued and is valid;

C. Preliminarily and permanently enjoin Liberate, its officers, agents, servants,

employees and those in concert or participation with them, from any unlicensed use of the inventions claimed in the OpenTV patents;

D. Award OpenTV damages as compensation for Liberate's infringement of the OpenTV patents, such award to include prejudgment interest;

E. Treble such award of damages due to the willful nature of Liberate's infringement of the OpenTV patents;

F. Declare that this is an exceptional case under 35 U.S.C. § 285 and award OpenTV its attorneys' fees and expenses in this action;

G. Award OpenTV its costs in this action; and

H. Enter such other and further relief to which OpenTV may be entitled as a matter of law, or which may otherwise be just and proper.
